### PERILS OF THE WILD

A TEN EPISODE ADVENTURE PICTURE...EP. 8, "WINDS OF FATE"

The Swiss Family Robinson are rescued from the burning treetop home by the bravery of Fredrick, who heaves the powder keg, which explodes at a distance. He then fights and overcomes eight or ten ~~pir~~ pirates whom he throws one by one over a cliff.

The Robinsons take refuge in a ~~hut~~ tent. Sir Charles invades the family circle and threatens them with tortures if they refuse to reveal the location of the remaining powder. Captain Robinson reads the story of The Prodigal Son from the bible and softens the heart of the bucaneer who agrees to help the Robinson's. Hearing this, Tonio, aspiring to leadership of the pirates, backed by the band, tries to make Sir Charles and the Robinsons prisoners. They fight and the pirates are beaten, but little Francis and Emily run away in fright and get lost in the jungle. Both fall down an embankment and catch hold on twigs. Fredrick comes to the <sup>s</sup>recue, lashing Emily to a tree while he creeps down the embankment toward the child.

A hurricane breaks the tree ~~and Emily~~ which crashes down the hillside.
